

Complaint and Appeal Procedure Policy

1. Introduction

WIAM is committed to provide to all students a transparent and supportive procedure for their complaints and appeals. The Institute encourages all parties to try to resolve the issue informally if that is possible. This has a number of advantages in term of immediacy, and usually results in the line of communications being opened more.

2. Definitions

a) Complainer – person how makes a complain or appeal

b) Complaint - A complaint presented by an individual, or a group, based on the opinion that they are, or have been, receiving treatment that differs from the treatment received by other individuals or groups (including Discrimination).

A complaint may also include issues regarding learning and teaching facilities.

A complaint may also be about issues regarding the delivery of the Programme and the taught modules.

c) Appeal – A request to have a decision reviewed. This may be a decision made in terms of reviewing a complaint or an academic decision (e.g. an assessment or any other decision made by the Institute in its day to day working).
